## Bugu iyi ndi ya

bookdash.org

Every child should own a hundred books by the age of five. To that end, Book Dash gathers creative volunteers to create new African storybooks that anyone can freely print, translate and distribute. Then we work with partners to give those books to preschool children to own.

To find out more, and to download beautiful, open-licensed, print-ready books, visit [bookdash.org](http://bookdash.org).
